PARKING PROTOCOL

Parking for the Alaska Mission of Mercy volunteers will be FREE at the following three downtown garages: 6th & G Street garage and the 7th & H Street garage, otherwise known as the bus station/transit area. The third garage is the Penny's parking garage. To receive FREE parking you must utilize one of the three mentioned garages and have your ticket validated at the AKMOM event. After you park, collect your ticket and bring it to the AKMOM Volunteer Registration to be validated. When you leave the garage you will need to insert the ticket and the gate will open. If the ticket does not open the gate please push the "Help Button" for assistance.
